### Vital Voices Prompting Questions

- ❖ What advice would you give to someone who is new to the program?
- ❖ If you could talk to the people who have helped you, what would you say?
- ❖ Who are/were your main forms of support through the program?
- ❖ You are the center of this program. How do you feel about what you went through?
- ❖ We know some individuals don't make it through the program. What helped you be successful? What helped you move forward?
- ❖ When you got out of your program, what did you need?
- ❖ What was your relationship with your probation officer(s) in your program? What impact did that have on your experience in the program?
